CHAMPION & HERITAGE
TREE TOUR

This 19th annual tour features favorite and new heritage, state and national champion tree sites in south Santa Barbara County. We'll board a comfortable Santa Barbara Airbus at 750 Technology Drive and visit trees from Goleta to Carpinteria, including the 140' tall Ellwood Queen, UCSB (new champion discovered!), Rancho La Patera Stow House gardens, and private sites available only through this tour. There will be ample off-bus opportunities to photograph, touch and connect with our remarkable living natural wonders. A 32 page brochure highlighting the tour trees and others around town is included exclusively for tour attendees. 4 CEU's applied for CA's.
